

Cyber Security Attorney Quoted Re Pandemic Cyber Risks in ROI-NJ

Riker Danzig associate Ryan M. Magee, a member of the Firm's Cyber Security & Data Privacy and White Collar Criminal Defense and Investigations Groups, was recently quoted by *ROI-NJ* for its article "Phish bait: With pandemic-related fears swirling, cybercriminals are finding myriad opportunities to infiltrate businesses," on May 26, 2020. Ryan, a former cyber crimes prosecutor, discussed the ways cybercriminals are attempting to pilfer sensitive data from companies and individuals, and provides recommendations to protect against new cyber risks.
