

Environmental Attorney Matthew Karmel Authors Article Re NJ's Food Waste Recycling Mandate

Matthew A. Karmel, an attorney in Riker Danzig's Environmental Group, recently authored an article on Waste360.com entitled "New Jersey Enacts Food Waste Recycling Mandate – Implementation Issues on Horizon." The article provides an overview of the recent legislation that Gov. Phil Murphy signed on April 14th, as well as noting questions that still need to be resolved regarding the implementation of the mandate.

See Waste360.com for the complete article.
