

Logistics Partner Ron Leibman Speaking at CIANJ's First Transportation Summit

Ron Leibman, partner and Co-Chair of Riker Danzig's Transportation and Logistics Practice, is speaking at Commerce and Industry Association of New Jersey's upcoming Transportation Summit entitled "Tackling Transportation Issues: Is NJ on the Road to Success?" On Tuesday, August 14, 2018, Ron, along with other industry leaders, policymakers and elected officials including NJDOT Commissioner Diane Gutierrez-Scaccetti, will examine New Jersey's vital transportation network and discuss:

- How transportation impacts business: the shipping of goods and services
- Funding and priorities – legislative/legal panel
- How State contracting works, projects on the drawing board, priorities list and procurement opportunities

This Summit, the first of its kind for CIANJ, runs from 8:00 AM – 2:00 PM and includes a networking lunch.
