

Riker Danzig Named a “NJ Powerhouse” Firm by Law360

Law360 has published its short list of New Jersey's Powerhouse Law Firms, with Riker Danzig making the list of only four firms. *Law360* recognized firms that stand out for their “stellar reputations and victories in both courtrooms and the marketplace.” This is only the second New Jersey Powerhouse series by *Law360*, and Riker was also named to the list in 2015.

In its feature story on Riker Danzig, *Law360* notes the Firm's distinguished history and reputation. Managing partner Glenn Clark says, “It’s a very old firm, so it’s well-established.” Glenn goes on to mention how the firm strives to be a cordial place to work. “It’s an open door kind of environment where people just walk into each other’s office... Everyone’s on a first-name basis.”

Glenn also mentions litigation as one of the firm’s strongest qualities. “If it’s significant litigation in New Jersey, chances are we’ll be involved,” he said. Referring to Riker’s focus on pro bono work, “It’s part of the history of the firm,” Glenn said. “The firm always had this idea of giving back.”

The story goes on to discuss the Firm's high-profile work in many areas. For the full story, go to [Riker Danzig Powerhouse Law Firm](#).
