

## Riker Danzig Partners Comment on Cybercrime Insurance in ROI-NJ

*ROI-NJ* tapped partners Michael P. O'Mullan and Maura C. Smith to provide commentary on insurance for cybercrimes in the June 20, 2019 article, "Breaching Charge: Cybercrime Insurance is Rapidly Becoming Must-Have Asset for Companies – of any Size." They discussed the importance of a company, regardless of size, having an insurance coverage plan specific for cybercrimes. Maura commented on cybersecurity threats, "It's really almost impossible to avoid today. You need some protection. The only question is what sort of risk exposure your particular company has." Mike said that "the insurance industry has, over time, gotten a better sense of what exposures there are and how to cover it."
