

Riker Danzig Sponsors Women Entrepreneurship Week Conference at Montclair State

Join us on Wednesday, October 17, 2018 for a day of inspiration and motivation for female founders, aspiring entrepreneurs, corporate women, millennials, students and anyone who wants to take a risk and launch a new venture. Riker Danzig is proud to sponsor “Women Entrepreneurship Week Conference” which will be held at Montclair State and will feature short TEDx-style talks from the Garden State’s top women entrepreneurs from a variety of industries. A corporate panel will include execs from Google, WeWork, PSE&G and more. A panel of funders will offer advice and tips about how to raise capital. Last year, more than 400 people attended the conference, and the event offers some of the best networking in New Jersey!

The event is free and open to the public. Men are welcome, and encouraged to attend. Click [here](#) for more information or to register.
