

Riker Danzig Toy Drive 2017

Riker Danzig partners Sandra Fava and Bethany Abele and research librarian Anne Shulman display a portion of toys collected in the Firm's annual Toy Drive.

For more than twenty years, Riker Danzig employees have collected new toys for children ranging in age from newborn to fifteen years-old. Hundreds of toys were collected this year and will be donated to the Jersey Battered Women's Shelter and Morristown Neighborhood House for the holiday season.

Riker Danzig's Toy Drive was organized by partners Bethany Abele and Sandra Fava with the help of research librarian Anne Shulman.
