

"Third-Party Preferred Equity as a Financing Device: Structuring "Debt-Like" Equity" Webinar on November 7th

Corporate Partners Jason Navarino and Robert Frucht will be speaking in an upcoming Strafford live webinar entitled, "Third-Party Preferred Equity as a Financing Device: Structuring "Debt-Like" Equity" scheduled for Tuesday, November 7, 1:00PM - 2:30PM. The panel will discuss structuring PEIs from the perspectives of the sponsor and investor. The panel will review how PEIs compare with debt and other equity investments and discuss key protective covenants and tax considerations in structuring PEIs. Following the presentation, Jason and Bob will engage in a live question and answer session with participants.

Our guests are eligible to attend this program at 50% off. The offer will be reflected automatically in your cart if you use this [link](#). Or call 1-800-926-7926 ext. 10 and ask for Third-Party Preferred Equity as a Financing Device on 11/7/2017 and mention code: ZDFCT.
