

Transactional Considerations for Properties with Remedial Action Permits

Publication:

New Jersey Business

Riker Danzig associate Jaan M. Haus wrote an article in *New Jersey Business Magazine's* March edition entitled "Transactional Considerations for Properties with Remedial Action Permits." Jaan discusses the burdens and obligations associated with Remedial Action Permits, and addresses risks and other considerations that persons engaged in transactions encumbered by an RAP need to consider when negotiating a deal.

Attorney:

Jaan M. Haus

Practice:

Environmental Law
