

IP Counsel Wendi Opper Uzar Speaks at Knowlt Webinar on IP in a Digital World

Wendi Opper Uzar, Counsel in Riker Danzig's Intellectual Property Group, will be speaking at a Knowlt three-day live webinar entitled "Intellectual Property in a Digital World," being held from May 11th - 13th. Wendi, a Registered Patent Attorney, will be speaking at the "Closing the Gender Gap" session, which will take place on Monday, May 11th, from 4:35PM - 5:20PM. Wendi and other panelists will discuss ways to level the playing field to spur more innovation and involvement of women in science and law. The program, originally planned to be held in Las Vegas, is now being presented online and is complimentary. For more information or to register, click [here](#).
