

Mary Kay Roberts Named one of New Jersey Law Journal's "40 Under 40"

Mary Kathryn Roberts, partner-in-charge of Riker Danzig's Trenton office, was featured in the *New Jersey Law Journal* "40 Under 40" special issue published on September 13, 2004. Ronald J. Fleury, editor in chief of the *Law Journal*, writes that "The [lawyers chosen] are worth watching, not only for what they have achieved so far in their careers but more so for the potential they show to be among the leaders of the New Jersey bar in the not-so-distant future." This is Ms. Roberts' second appearance on the "40 Under 40" list.
