

# Nominate NJ Family Business of the Year

## 2005 NJ Family Business of the Year Awards

Riker Danzig is proud to be a sponsor of the New Jersey Family Business of the Year Awards. Each year, the Rothman Institute of Entrepreneurial Studies coordinates with corporate sponsors this event which recognizes family firms that best exemplify strong businesses acumen, active family engagement, innovation and community involvement. Last year, Gateway Security, Inc., a second-generation security company, and the Timothy Ryan Home for Funerals, a second-generation funeral home business took top honors at the 2004 New Jersey Family Business of the Year Awards. The winners are honored at an awards luncheon in October.

Please help us honor the Family Businesses whose innovative strategies and business practices have had a positive impact on the New Jersey business community and society. Winners are eligible for the National Family Business of the Year Competition and are featured in New Jersey Monthly Magazine. Download the nomination form at the Institute's [nomination web page](#).

The deadline for this year's competition is **April 11, 2005**. Please contact the Institute at 974.443.8880 or its [website](#) if you have any questions. This year's event will be held on **October 19, 2005**.
