

Riker Danzig Named NJ Powerhouse Law Firm by Law 360

Riker Danzig was selected as one of five New Jersey Powerhouse Law Firms by Law360 for 2015. Law 360 recognized firms that stand out for "their sizable footprint in the Garden State and their significant regional accomplishments." Law360 noted that each Powerhouse firm has "the ability to win when it counts," and "an impressive list of courtroom victories and high-profile deals over the last year."

In its feature story on Riker Danzig, Law360 noted the firm's distinguished history and reputation. Managing partner Glenn Clark says in the story, "There is a sense of stewardship ... and a sense of responsibility to maintain that reputation. We can go to a courthouse and people know who we are. It gives us credibility."

Partners Kelly Crawford and Brian O'Donnell, both members of the Firm's Executive Committee, comment as well. "I'm proud of that heritage, it carries a lot of weight," Kelly said. "I feel very strongly about young lawyers being brought up to respect that reputation. I always talk to my [people] about doing top-notch, stellar work because [it] not only reflects on clients but reflects on the firm as well."

Brian added, "The Riker name is golden, if not iconic. Judges know the history of the firm and the quality of the people we hire."
