

Riker Danzig Receives Top Honors in Chambers 2020 Law Firm Rankings

Chambers and Partners recognized five of Riker Danzig's practice groups with top honors in the Chambers USA Guide for 2020. Riker Danzig also received 18 attorney honors from Chambers this year. Chambers continues to be one of the most well-respected attorney ranking guides, due to its in-depth research.

Following are the Riker Danzig rankings by practice area, with highlights from the editorial commentary. Full rankings and complete commentary are available at [Chambers](#).

Bankruptcy Chambers sources describe our team as “an accomplished group of practitioners” which “maintains a great balance, does a great job of keeping us informed and secures great outcomes in tough situations.”

Environment (Band 1) Chambers calls the group a “superb environmental group, which deals with the full range of environmental issues.”

Insurance Chambers notes our impressive representation of insurers and insureds in matters such as coverage disputes and reinsurance litigation, while sources call the group “an excellent insurer-side firm, whose lawyers have such good experience in some of the highest-profile, most complex coverage cases.”

Litigation: General Commercial Chambers says ours is a “highly respected litigation group known for its handling of a broad range of commercial disputes, including banking, real estate and environmental matters. Also active in securities disputes.”

Real Estate Clients praise the team as taking “great pride in the success of a transaction. They go beyond being attorneys, becoming critical members of our team and our success.” Chambers called the group a “well-respected group providing high-quality legal representation on transactional matters in the real estate space.”
