

Riker Danzig Receives Top Honors in Chambers 2021 Law Firm Rankings

We are proud that Chambers and Partners recognized seven of Riker Danzig's practice groups with top honors in the Chambers USA Guide for 2021, and recognized 22 of our attorneys. Chambers continues to be one of the most well-respected attorney ranking guides, due to its in-depth research.

Following are the Riker Danzig practices and attorneys honored, with highlights from the editorial commentary. Full rankings and complete commentary are available at [Chambers](#).

Bankruptcy Chambers sources describe our team as "responsive, thorough and professional, providing excellent explanations of the bankruptcy proceedings and issues, and comprehensive advice."

Energy & Natural Resources Chambers calls the group a "skilled team with deep experience representing utility companies in regulatory proceedings."

Environment (Band 1) Chambers says the team is known as a "superb environmental group with a focus on New Jersey remediation programs." The Guide notes that the Group "deals with the full range of environmental issues, from air pollution to wetlands and hazardous waste."

Insurance Clients told Chambers, "They're very reachable and very good at what they do," and "their services are excellent."

Litigation: General Commercial Chambers says ours is a "highly respected litigation group known for its handling of a broad range of commercial disputes, including banking, real estate and environmental matters. Also active in securities disputes."

Litigation: Product Liability Chambers notes that our team "regularly acts for clients in industries including healthcare, technology and pharmaceuticals in product liability disputes."

Real Estate Chambers calls our team “efficient and organized. They are strategic and are good at project management,” and “they have very knowledgeable attorneys and are a pleasure to deal with.”
