

Riker Danzig Selects Winner For Its Annual Holiday Card Contest

Riker Danzig Scherer Hyland & Perretti LLP held its eighth annual holiday card design contest for children of the pro bono organizations for which it provides legal services. More than 100 children from participating organizations submitted artwork on the theme "Wintertime Fun." Fourth-grader Noelle Pooler of Morristown provided the winning entry: a wintertime scene of children sledding and playing in the snow. The image has been printed on the firm's holiday card. Pooler received a gift certificate for a bicycle and helmet. Each of the children participating received a thank-you gift for his or her contribution.
