

## Ryan Magee Quoted In Law360's "Top New Jersey Cases of 2021"

White Collar and Cannabis Counsel Ryan M. Magee was recently tapped by *Law360* for the article, "Top New Jersey Cases Of 2021: A Midyear Report," which focused on major cases including those related to pelvic mesh and talc litigation, medical marijuana and COVID-19. Ryan weighed in on a recent court decision impacting the rights of medical cannabis users to be reimbursed for related healthcare expenses. "We now have a ruling from the highest court in the state that says medical marijuana can in the right circumstances be characterized as reasonable and necessary under the act," said Ryan. He noted that "this is just yet another example demonstrating the fact that conflicting federal and state laws — when it comes to be it medical marijuana or adult-use marijuana — have a very real impact on the citizens of the states and the country."
